RELEVANT EXPERIENCE

Intern at RARE-X

Part-Time Data Analytics Intern

Remote

January 2022-Current

- Manage analytics for distribution of weekly data collection program updates for Patient Advocacy Groups affiliated with RARE-X
- Assist the Technology and Marketing teams in analyzing data and creating presentations for Patient Advocacy Groups to present to Board of Directors', at conferences, and in informational campaigns
- Partnered with the technology team to implement a new survey collection system which required user acceptance testing and data cleaning for weekly data extracts

Intern at Techstars Sports Accelerator

Full-Time Summer Intern with Esportudo and Rebus

Remote

May 2020-October 2020

- Assisted start-up companies in expanding and growing their brand via Techstars Sports Accelerator with the advice and guidance of mentors with corporate experience and/or successful start-up companies
- Assessed and targeted new leads within the professional sports space for Esportudo's sales team by researching different franchises and setting up meetings with their respective marketing teams
- Aided Esportudo's CTO in creating machine learning models to aggregate data and curate sports media content for personalized use within the platform
- Managed the organization of next steps, deadlines, and interest levels for Rebus's potential clients and program mentors using the Trello board tool

NCAA ATHLETICS & LEADERSHIP

University of Notre Dame Women's Varsity Soccer Team

Division I Student Athlete/Defender

Notre Dame, IN

August 2018 – August 2021

Leadership

- Devoted 20+ hours per week for practice, conditioning, competition, and travel while maintaining a full academic course schedule
- Served a consistent role on the team as a steady player eager to learn more in every practice or game and push others to perform at their highest level

Teamwork

- Developed strong communication skills while working daily with 34 diverse women and coaching staff
- Set and achieved personal goals that contribute to team goals

Character

- Developed a driven work ethic in order to meet high expectations on the field and in the classroom
- Learned to thrive while competing under pressure at the top level of collegiate competition
- Accustomed to improving and adapting personal performance to accomplish team goals while maintaining individual style of play

Rosenthal Leadership Academy
